

Americana, Country, Blues, American Folk

The Solitary Men play songs by artists like Johnny Cash, Hank Williams, Hank 3, Carl Perkins, Bob Dylen, Tom Petty, Steve Earle, JJ Cale and many more, also a fine repertoire of original Songs that blend seamlessly into all those masterpieces.

A routined and swinging rythmsection supports a charismatic and unique frontman that takes you to places you've only been to in your wildest dreams.

The Solitary Men's timeless Americana-sound may aswell entertain a rockin' partycrowd and also be the soundtrack of the roadmovie that they call live.
